

## Blacktown Spartans Football Club Incorporated Alcohol at Grounds Policy

---

Drinking of alcohol is prohibited on all grounds holding matches under the control of the BSFC Inc.

There are NO exceptions and includes private and Council owned grounds.

Blacktown City Council also prohibits alcohol in public. There are large fines for consuming alcohol in public. All Council grounds have signs near the entry listing all prohibited items on the field. Alcohol is listed on those signs.

The absence of a "NO ALCOHOL" sign does not allow the consumption of alcohol.

Whilst BSFC upholds the "no alcohol on grounds" policy, we in no way ask our members to police this infraction with any more than a polite reminder to those who ignore the laws of this State.
